PREMIUM JULIUS MEINL TEA, FROM LEAF TO CUP **16**

Asian Spirit Ginger Lemongrass

An exotic blend of Organic Tea that combines the freshness of verbena, lemon balm and ginger with licorice, cardamom and black pepper.

China Green Samba Acai

The freshness of this Chinese organic green tea is perfectly combined with the invigorating flavour of the Brazilian acai berry resulting in an exceptional taste experience and gives a lovely yellow colour in the cup.

Organic Earl Grey Blue Blossom

A top quality organic tea, with Ceylon harvested from world famous tea garden Idalgashinna in Sri Lanka. Refined with bergamot oil, the tea is characterized by a delicate taste and a touch of fresh citrus.

Fruit Symphony

This composition of sun-ripened fruits is particularly invigorating. The taste of hibiscus, apples and rose hip is blended with orange, cinnamon and lemon to achieve a well-balanced taste.

Organic Rooibos Vanilla Cederberg Mountains

This organically grown Rooibos tea is harvested at the foot of the Cederberg Mountains in South Africa. The lightly nutty and sweet taste of the rooibos is perfectly harmonized with the scent of vanilla. The warm brown colour resembles the African Savanna.

Organic Chamomile Serenade

Selected whole chamomile flowers create the mild base for this unique organic herbal tea blend.

With the sweetness of the apple, and the licorice root, it is the lemongrass which makes this composition so special, and the touch of honey rounds it off wonderfully.
